Covid mandated vaccines???

**Title of idea/comment:**

Stop this insanity!!

**Description of idea/comment:**

Please DO NOT mandate the vaccine for our poor students. They have been thru hell already, and a mandate to get a trial shot, not FDA approved, will stress them more. We can reduce the virus through mask wearing and social distancing. It worked this spring! Give us a chance to prove it. No one wants to be forced or coerced. Thank you.
