My name is Kathleen Ordinario, I am a mother of 2 Clark County students. I strongly oppose the mandatory use of the Covid 19 vaccination on Nevada students. Please add my opposition to record.

Please note:

The students in Nevada deserve to maintain their constitutionally guaranteed right to say "no" to drugs for any reason. It is a violation of the Nuremberg Code to enforce anyone to participate in a medical experiment (and with non-FDA approved drugs, these vaccines qualify as experimental.) I believe in bodily autonomy and medical choice. It is a violation of the 1st amendment to require anyone to go against his or her religious beliefs in order to participate in society, especially at publicly-funded schools.
