Good morning,

My name is Chelsea Layne and I strongly oppose the mandatory use of the COVID 19 vaccine on our Nevada students. Please put my opposition in record.

Please note:

The students in Nevada deserve to maintain their Constitutionally guaranteed right to say "no" to drugs for any reason. It is a violation of Nuremberg Code to force anyone to participate in a medical experiment (and with non-FDA approved drugs, these vaccines qualify as experimental). It is a violation of the 1st amendment to require anyone to violate his or her religious beliefs in order to participate in society and especially at publicly-funded schools.

Sincerely,  
Chelsea Layne
