Subject: Vaccine mandate.
Date: Saturday, August 28, 2021 10:06:15 PM

My child's healthcare is my responsibility. Not the Nevada education system, our dictator of a governor, the CDC, or you ! My daughter is attending private school and will, if need be attend a college that doesn't exclude, or punish young healthy Americans for not exercising their choice to choose, which is a cornerstone of our U.S. Constitution. Go push communism elsewhere.

Respectfully,
U.S. Veteran, law enforcement officer and Patriot!
