Subject: Mandatory Covid Vaccinations for Students
Date: Thursday, August 19, 2021 4:34:56 PM

Hello, I am a mother of multiple Clark County students. I strongly oppose the mandatory use of the Covid 19 vaccination on any Nevada student, whether they be preschoolers, elementary, all the way to college aged students. Please add my sincere opposition to record.

Please note:

The students in Nevada deserve to maintain their constitutionally guaranteed right to say "no" to drugs for any reason. It is a violation Nuremberg Code to enforce anyone to participate in a medical experiment (and with non-FDA approved drugs, these vaccines qualify as experimental.) It is a violation of the 1st amendment to require anyone to violate his or her religious beliefs in order to participate in society and especially at publicly-funded schools.

Thank you for your time.

Sincerely,
Vanessa Arabe
