Subject: Objection for COVID GENE THERAPY Jabs for College Students

Date: Friday, August 20, 2021 7::38 AM Hi, my name is Richard Ries and I am writing to object to ANYONE who will be attending UNR in the fall) being forced to get a jab for Covid-19. First

and foremost, college age people have NO problem with covid and they have a 99.97% or

higher survival rate. Second, this is NOT a vaccine; it is an experimental GENE THERAPY injection with nefarious intentions.

It has caused over 50K deaths in the United States and Millions worldwide, and hundreds of thousands of adverse reactions. The Nuremberg Code on Medical Experimentation prohibits anyone from being coerced into getting an experimental jab. The United States Government has extraterritorially prosecuted, convicted and executed Medical Doctors who have violated the Nuremberg Code on Medical Experimentation.

Aiders and abettors of Nuremberg Crimes are equally guilty and have also been prosecuted, convicted and executed. Every court of law in any location has the original jurisdiction (Universal) to hear and try Crimes against of Humanity; and violations of the Nuremberg Code are classified as Crimes against Humanity, which carry a maximum, penalty of Death. You are hereby put on NOTICE that any further effort to coerce, intimidate, persuade, trick or compel anyone to receive any experimental gene therapy injection ("Covid-19 Vaccine") or any other medical device, drug or procedure against anyone's will, implicates you as aiding and abetting in the Capital Offense of a Crime against Humanity.

I hereby reserve my rights to swear to a criminal complaint against you in the nearest available law enforcement agency or court of law. I do not contract with you in any way and expressly deny any contractual relationship with you.

I hereby reserve my rights, and the rights of my child, and put you on **NOTICE** that you may also be

liable for civil damages under various Tort claims including but not limited to the following:

negligence, fraud (in the Inducement), Assault, Battery, Intentional Infliction of Emotional Distress,

Loss of Consortium, Trespass and Products Liability. You are hereby notified of potential liability.
