Subject: This Is Crazy I Oppose Any Mandatory Medical Experiment.
Date: Friday, August 20, 2021 7:20:56 AM

This is the United States Of America and our citizens are protected by our Constitution. This is a violation of our 1ST Amendment. This so called Vaccine Has Killed Thousands Of People all over the world and has injured Thousands more.

Oppose mandatory Covid-19 vaccines for our Nevada college students. Our students deserve to maintain their constitutionally guaranteed right to say "no" to drugs for any reason. It is a violation of Nuremberg Code to force anyone to participate in a medical experiment (and with non-FDA approved drugs, these vaccines qualify as experimental). It is a violation of the 1st amendment to require anyone to violate his or her religious beliefs in order to participate in society and especially at publicly-funded schools.
