My name is Mackenzie Sullivan and I'm a concerned student attending UNLV's William S. Boyd School of Law. I'm writing to express my strong support for the proposed amendment to NAC 441A.755 implementing a COVID-19 vaccine requirement for students enrolling in classes at NSHE institutions.

The argument that mandated vaccination for in-person attendance at state universities raises constitutional claims or violates individual constitutional rights is utterly false. The Seventh Circuit affirmed Indiana University's recent implementation of a COVID-19 vaccination policy earlier this month. As stated by the Court, under *Jacobson v. Massachusetts* (1905), "there can't be a constitutional problem with vaccination against SARS-CoV-2," because there is no fundamental right to refuse necessary public health measures such as vaccines.

The COVID-19 pandemic is a public health emergency that requires proactive measures to mitigate the spread of COVID-19 on NSHE campuses. The safety and wellbeing of thousands of Nevadans is in your hands and I encourage you to make the correct decision.
