Subject: Covid-19 vaccines requirement for NV college students
Date: Thursday, August 19, 2021 6:03:24 PM

Oppose mandatory Covid-19 vaccines for our Nevada college students. Our students deserve to maintain their constitutionally guaranteed right to say "no" to drugs for any reason. It is a violation of Nuremberg Code to force anyone to participate in a medical experiment (and with non-FDA approved drugs, these vaccines qualify as experimental). It is a violation of the 1st amendment to require anyone to violate his or her religious beliefs in order to participate in society and especially at publicly-funded schools. They are old enough to make their own decision about this without outside interference and pressure, respect that right! Thank you.
