Title of idea/comment:

COERCION IS NOT CONSENT

Description of idea/comment:

I've worked for public health for 15 years. I've worked through furloughs, pay cuts, staff reductions, I've done so because I enjoy my job, I love this state. Nevada has been my home for decades, and my employer for 15 years. It's disheartening and down right infuriating that my loyalty through this pandemic which mind you I worked through with minimal PPE and without a "vaccine" means nothing!! Instead you want to threaten my job, my livelihood if I don't take an

experimental vaccine that clearly doesn't stop the spread of Covid? THIS IS HARRASSMENT!
THIS IS MY BODY, THEREFORE I SHOULD DECIDE WHAT I PUT IN IT! COERCION OF
STATE EMPLOYEES IS NOT CONSENT!!!
