Hello fellow NV parents. !!!! Please take a moment to read this and write in a quick email.

On 8/20 there will be a meeting with the Nevada State Board of Health to approve the MANDATE vaccination of COVID 19 on our ALL OF OUR students regardless of their religious exemption.

There was an email sent out regarding this and there is a way to send in your opposition and for it to be put on record. We need as many parents to email or call to oppose this. It should not be forced on our kids.

Below is what I sent. You can copy and paste if it's easier for you.

Hello. My name is Laura Vallet and I strongly oppose the mandatory use of the COVID 19 vaccine on our Nevada students. Please put my opposition in record. Please note:

The students in Nevada deserve to maintain their Constitutionally guaranteed right to say "no" to drugs for any reason. It is a violation of Nuremberg Code to force anyone to participate in a medical experiment (and with non-FDA approved drugs, these vaccines qualify as experimental). It is a violation of the 1st amendment to require anyone to violate his or her religious beliefs in order to participate in society and especially at publicly-funded schools.

\*\*if you want me to personally email you the information on this - please send me you email on dm.

THANK YOU. PLEASE HELP. IT TAKES LESS THAN 3 MINUTES OF YOUR TIME. PLEASE HELP.

Maybe make a flyer? Pass at school pick up? We must a NV parents get the word out.
