Subject: Mandatory vaccines
Date: Wednesday, August 18, 2021 7:49:07 AM

Hello, I am a father of 4 children, 2 of which are Clark County students. I strongly oppose the mandatory use of the Covid 19 vaccination on Nevada students. Please add my opposition to record.

Please note:

The students in Nevada deserve to maintain their constitutionally guaranteed right to say "no" to drugs for any reason. It is a violation Nuremberg Code to enforce anyone to participate in a medical experiment (and with non-FDA approved drugs, these vaccines qualify as experimental.) It is a violation of the 1st amendment to require anyone to violate his or her religious beliefs in order to participate in society and especially at publicly-funded schools.

Thank you for your time.
