Subject: Absolutely no to vaccine mandate
Date: Tuesday, August 17, 2021 8:10:55 PM

I want my position clearly noted. I have 4 children in CCSD and I do not want anyone dictating or mandating a vaccine to my children.

We get the flu shot every year. My kids are current on their vaccines. But the Covid-19 Vaccine is still too new. I absolutely do not want this vaccine for my children.
