Hello,

I am a teacher and mother of two. One of which is a Clark County student. I strongly oppose the mandatory use of the Covid-19 vaccination on Nevada students. Please add my opposition to record.

Furthermore, the students in Nevada deserve to maintain their constitutionally guaranteed right to say "no" to medical interventions for any reason and be guaranteed bodily autonomy and sovereign rights to their bodies. It is a violation Nuremberg Code to enforce anyone to participate in a medical experiment; and this non-FDA approved vaccine qualifies as experimental. It is also a violation of the 1st amendment to require anyone to violate his or her religious beliefs in order to participate in society and especially at publicly-funded schools.

Thank you for your time,  
Pela McHenry
