Subject: Oppose mandatory covid vaccine
Date: Tuesday, August 17, 2021 10:24:44 PM

Good evening,

It has been brought to my attention there will be a discussion to mandate the covid vaccine on our students regardless of religious exemptions. I strongly oppose the mandatory use of the covid vaccine on our students or anyone for that matter.

The students deserve to maintain their constitutional right to say "no" to drugs for any reason. It is a violation of the Nuremberg Code to force anyone to participate in a medical experiment. It is also a violation of the first amendment to require anyone to violate his or her religious beliefs in order to participate in society and especially at public funded schools.

Please give the parents the right to choose what is best for their family. That's the great thing about this country. Freedom

Thank you,
Elisha
