**Date:** Wednesday, August 18, 2021 2:44:10 PM

---

Hello. Please accept my note for the board meeting as being strongly against vaccination mandates for college students. Forcing a student to receive an injection or be kicked out of school is immoral, unethical, and goes against the right to choose what happens with one's own body.

Thank you,  
Dennis Sweetland  
Washoe Valley, NV
