Subject: Possible Vaccine Mandate for College Campuses
Date: Thursday, August 19, 2021 2:18:29 PM

To Whom It May Concern,

I am writing regarding the meeting to discuss the possibility of mandating the COVID-19 vaccination for all students attending Nevada college campuses.

I whole-heartedly DISAGREE with this idea. No student should be turned away because of vaccination status. This is taking away their civil rights to act independently. In a country founded on freedom, this is the most contrary idea- to enforce vaccination. We have the freedom of choice in our religion, speech, press, sexual orientation. There should absolutely be a choice in vaccination status as well.

Thank you for your consideration,
Lyndsay Atwood
