Subject: Mandating COVID-19 Vac to our children

Good afternoon,

My name is Rhonda Otero. I am writing you as a concerned parent of a Nevada student. I STRONGLY oppose the mandatory use of the COVID 19 vaccine on all our students in Nevada. Please put my opposition in record.
Please note:

The students in Nevada deserve to maintain their Constitutionally guaranteed right to say "no" to drugs for any reason. It is a violation of Nuremberg Code to force anyone to participate in a medical experiment (and with non-FDA approved drugs, these vaccines qualify as experimental). It is a violation of the 1st amendment to require anyone to violate his or her religious beliefs to participate in society and especially at publicly funded schools. WE THE PARENTS, will not stand for this and will do what we can to fight.

Thank you,

Rhonda Otero
