**Subject:** Nevada mandates?  
**Date:** Thursday, August 19, 2021 2:56:03 PM

---

It is time for Nevada to end this madness.

First the Governor banned the only drugs that cure Covid because Trump said something. Hydroxychloroquin etc.

Now you are forcing mask mandates and Vaccination?

The Vax DOES NOT WORK!

More are dying from the EXPERIMENTAL shot than the disease!

We also know that your COVID-19 death causes are not real.

Masks do not work.

Stop trying to control the people!

Ken
