Subject: Mandated covid vaccination for students
Date: Friday, August 20, 2021 7:49:11 AM

Hello. My name is Angelina Noel. I have 4 children attending Clark County schools and I strongly oppose the mandatory use of the COVID 19 vaccine on our Nevada students. Please put my opposition in record. Please note:

The students in Nevada deserve to maintain their Constitutionally guaranteed right to say "no" to drugs for any reason. It is a violation of Nuremberg Code to force anyone to participate in a medical experiment (and with non-FDA approved drugs, these vaccines qualify as experimental). It is a violation of the 1st amendment to require anyone to violate his or her religious beliefs in order to participate in society and especially at publicly-funded schools.

It's not enough that our children are masked, can't play on playgrounds at school, subject to weekly covid tests if they play sports, but now they have to have a shot even if it's against or religious beliefs?

Thank you for reading this email, Angelina Noel
