**Subject:** I OPPOSE Mandatory Covid-19 Vaccines for all Nevada College Students  
**Date:** Friday, August 20, 2021 7:15:32 AM

---

I know your hearts are in the right place, but this **MANDATE** is teaching our young adults that's it's OK to trample on our Constitutional rights. Students must be taught to do their own research. They may very well decide to be vaccinated, but it will be **THEIR** decision. Giving in to a **THREAT** is alarmingly unconstitutional.

Thank you.
