Subject: Vaccine mandate opposed
Date: Friday, August 20, 2021 6:44:19 AM

We oppose this strongly. The vaccines are not working to combat covid 1 or 2. Just like the masks. The scientific evidence is on our side. We are not scared to pull our children from the schools, we are prepared to do so & move out if this state, if this continues to threaten our family.

Thank you,
Wendy Wilson
