After reading through a number of your comments, I noticed that many were copy-and-pasted verbatim. I searched the phrases, and found the source of this erroneous comment:

The students in Nevada deserve to maintain their Constitutionally guaranteed right to say “no” to drugs for any reason. It is a violation of Nuremberg Code to force anyone to participate in a medical experiment (and with non-FDA approved drugs, these vaccines qualify as experimental). It is a violation of the 1st amendment to require anyone to violate his or her religious beliefs in order to participate in society and especially at publicly-funded schools.

Here is a link to the website of the group. To get an idea of where they are coming from, they are actually making equivalencies between the COVID-19 vaccination and the actions taken by Josef Mengele during the holocaust:
