Hello,

My name is Amy Moore and I STRONGLY OPPOSE the mandatory use of the COVID 19 vaccine on our Nevada students. Please put my opposition in record. Please note: The students in Nevada deserve to maintain their Constitutionally guaranteed right to say "NO" to drugs for any reason. It is a violation of Nuremberg Code to force anyone to participate in a medical experiment (and with non-FDA approved drugs, these vaccines qualify as an experiment). It is a violation of the 1st amendment to require anyone to violate his or her religious beliefs in order to participate in society and especially at publicly funded schools.

Further push to mandate this, will cause myself to look outside of CCSD for my child's education.

Thank you,  
Amy Moore
