Subject: DENY the mandate vaccination

Hello. My name is Stephanie Montoya. I have 2 children attending a Clark County school and I strongly oppose the mandatory use of the COVID 19 vaccine on our Nevada students. Please put my opposition in record. Please note:

The students in Nevada deserve to maintain their Constitutionally guaranteed right to say "no" to drugs for any reason. It is a violation of Nuremberg Code to force anyone to participate in a medical experiment (and with non-FDA approved drugs, these vaccines qualify as experimental). It is a violation of the 1st amendment to require anyone to violate his or her religious beliefs in order to participate in society and especially at publicly-funded schools.

If this passes, I will be withdrawing my children and taking them out of state where they can have a normal school year.
