

# County Health Officer Quarterly Report to the State Board of Health

County Health Officer Name: Troy Ross, MD, MPH

County: Lander

Report for: third quarter of 2024

Date of Submission: 8/23/2024

## **County Board of Health Updates**

There are no changes in the Board of Health.

There was one Board of Health meeting completed for the third quarter.

Actions taken by the BOH in the third quarter:

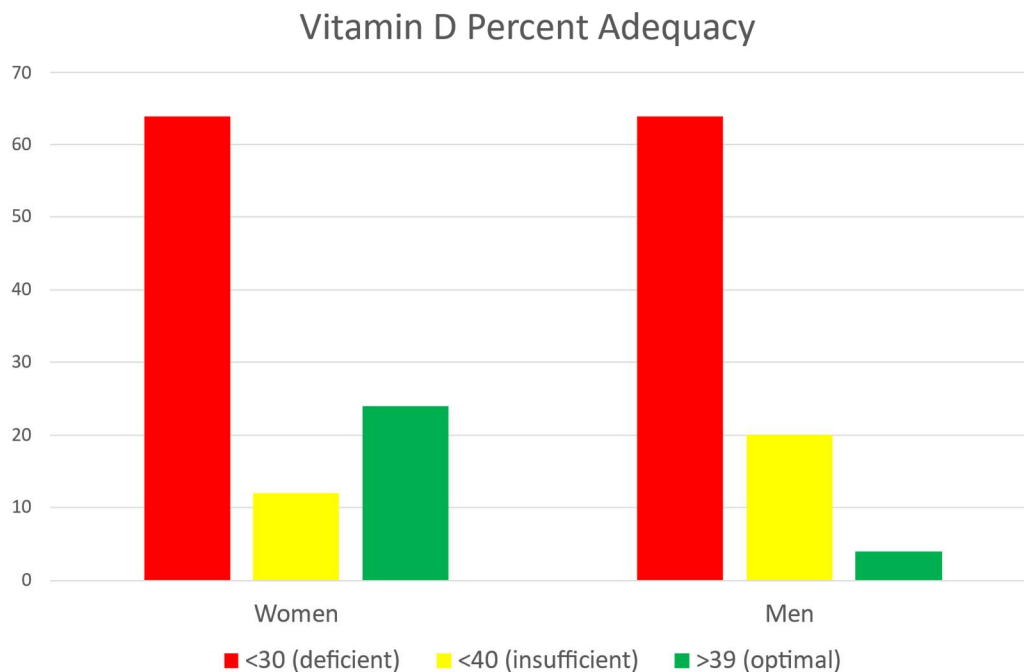

- 1) the BOH approved the county's opioid needs assessment. The needs assessment priorities were submitted to the Fund for a Resilient Nevada.
- 2) The BOH approved SB118 funding to be dedicated to a county-wide dental health improvement program.

## **General Updates**

The county's vitamin D deficiency screening and treatment program has tested 67 individuals, identified 66% as being deficient (less than 30ng/dL), and has offered oral vitamin D treatment to all of those individuals.

The mean vitamin D level for the cohort is 24 ng/dL.

Ongoing testing is being offered.

## Vitamin D Percentages by Age Quartile
