

**Chemical Restraint Used in Nevada’s Children’s Behavioral Health Facilities  
Reporting Seclusion and/or Restraint to the Division of Child and Family Services,  
Planning and Evaluation Unit, 2018–2020**

The following table shows the total number of seclusion and/or restraint incidents from 2018 through 2020 and the number of those incidents that were chemical restraints, followed by the percent of chemical restraints to total restraints for that facility.

Facility	Total S/R in 2018	Chemical Restraint in 2018	Total S/R in 2019	Chemical Restraint in 2019	Total S/R in 2020	Chemical Restraint in 2020
Desert Parkway	36	0	0		0	
DCFS – Desert Willow Treatment Center	110	26 (24%)	16	4 (25%)	92	16 (17%)
DCFS – PRTF Enterprise	1	0	0		0	
DCFS – PRTF ATC	4	0	0		0	
DCFS – PRTF OCHT	22	0	0		0	
Never Give Up	223	5 (2%)	242	26 (11%)	203	15 (7%)
Reno Behavioral Healthcare Hospital	6	3 (50%)	61	21 (34%)	78	30 (38%)
Seven Hills Behavioral Institute	31	19 (61%)	72	7 (10%)	53	2 (4%)
Southern Hills Hospital Pavilion	0		20	0	50	3 (6%)
Spring Mountain Treatment Center	125	5 (4%)	149	0	0	
West Hills	171	67 (39%)	116	66 (57%)	105	29 (28%)
Willow Springs	467	2 (0.4%)	1286	2 (0.1%)	461	58 (13%)
<b>TOTAL</b>	<b>1196</b>	<b>127 (11%)</b>	<b>1962</b>	<b>126 (6%)</b>	<b>1042</b>	<b>153 (15%)</b>

The following tables show how many times each medication was prescribed for chemical restraint by facility and year. (Note that more than one medication was sometimes prescribed for the same incident)

**DCFS – Desert Willow Treatment Center**

Medication	Total in 2018	Total in 2019	Total in 2020
Ativan	1	0	0
Benadryl	15	1	11
diphenhydramine	0	0	1
Geodon	5	0	0
Zyprexa	6	2	10
Zyprexa zydis	0	1	0

**Never Give Up Youth Healing Center**

Medication	Total in 2018	Total in 2019	Total in 2020
Ativan	4	4	0
Benadryl	3	17	12
Haldol	5	25	10
Lorazepam	0	6	0

**Reno Behavioral Healthcare Hospital**

Medication	Total in 2018	Total in 2019	Total in 2020
