Nevada Department of Education Update

The Office of Standards and Instructional Support presented the proposed 2020 Nevada Academic Content Standards (NVACS) for Health to the Council to Establish Academic Content Standards on September 16th, 2020. The Council made a motion to approve the proposed 2020 NVACS for Health and recommended that the Nevada State Board of Education officially adopt them.

The Office of Standards and Instructional Support presented the proposed 2020 Nevada Academic Content Standards (NVACS) for Health to the State Board of Education on October 8th, 2020. A recapture of this meeting will be provided
