

**Chronic Disease Prevention and Health Promotion Section
Advisory Council on the State Program for Wellness and the Prevention of Chronic Disease
Preventive Health and Health Services Block Grant Update (PHHS)**

November 13, 2020

Grant Information:

- The CDPHP Section has completed subawards for six organizations including the State's three local health authorities.
- Healthy People 2030, the fifth iteration of the Healthy People initiative, announced national objectives to address public health priorities on August 18, 2020. Whereas the PHHS Block Grant is mandated to be guided by the nation's health objectives as outlined by the Healthy People initiative, stakeholders and subrecipients will be encouraged to review and select appropriate Healthy People 2030 objectives to focus on for the next grant year which will start October 1, 2021.

Evaluation and Reporting:

- On September 30th, CDC's evaluation team for PHHS presented key finding from the measurement assessment conducted in 2019 to PHHS Block Grant Coordinators.
- Quarterly progress reports are due today on October 15. They are the final reports for the 2020-2021 Grant Year which concluded on September 30. Calls to discuss evaluation results will occur in the last week of October and first two weeks of November.
