

Maximizing Public Resources

CSH collaborates with communities to introduce housing solutions that promote integration among public service systems, leading to strengthened partnerships and maximized resources.

What We Do

CSH is a touchstone for new ideas and best practices, a collaborative and pragmatic community partner, and an influential advocate for supportive housing.

Long term funding for Behavioral Health and Support Services

SAMHSA

Medicaid 1915i SPA

State Agencies

Prioritize Resources

Recommendations: Advocate ARPA it utilized for the following

Ensure commitment to Transparency, Equity, and Innovative Solutions

- Community Planning Table of Stakeholders

Support Housing Coalition recommendations

- Creation of 4,458 units over Three-Phases
- Prioritize **\$29,047,208** for annual services funding
- ARPA seeding: **\$936,000** for services

Supporting the increase in services and build capacity of current providers

- Prepare for 1915i implementation
- Enhance cultural diverse services and providers

Support our priorities as a policy board

- Dedicated funding for crisis services
- Residential Treatment for youth
- Oversight and workforce development
- Increase collaboration on the spectrum of substance misuse and its relation to mental health

THANK YOU!
