## State Certification Application

### Renewal Application Required Materials

- Proof of General Liability Insurance
  - If renewing for multiple geographic locations, include insurance for each location
- Proof of Professional Liability Insurance (**Treatment Applicants Only**)

Organizations applying for State Certification are encouraged to review and follow the regulations in [NAC Chapter 458](#). Separate geographical locations will require a separate application submission. All levels of service adhere to the treatment criteria for addictive, substance-related, and co-occurring conditions as defined by the Division Criteria and [American Society of Addiction Medicine \(ASAM\)](#).
