These workshops will be conducted in accordance with NRS 241.020, Nevada's Open Meeting Law. The proposed addition/change of regulations in LCB File No. R117-22 and R153-22:

R177-22: This revision to NAC 458 updates and revises regulations for oversight of providers certified by the Substance Abuse Prevention and Treatment Agency (SAPTA) within the Division of Public and Behavioral Health (DPBH). Updated language is needed to use more current terminology as well as remove stigmatizing language from the regulations. The amendments also streamline language to clarify requirements and make more user friendly.

R153-22: AB 181 (2021) mandates certain health care providers designated by the State Board of Health (BOH) who know of, or provide services to, a person who has attempted suicide or is suspected of having attempted suicide to report that fact pursuant to regulations adopted by the BOH. The proposed regulation adds new language to NAC441A.
