Overview of Proposed Changes

The proposed changes will revise Chapter 433 of the Nevada Administrative Code and are being proposed in accordance with NRS 439.150 and NRS 433.

Senate Bill 390 was passed during the 2021 legislative session. The bill indicated the State Board of Health shall adopt regulations to impose a surcharge on each access line of each customer of a company that provides commercial mobile communication services or IP-enabled voice services in this State in accordance with 47 U.S.C. § 251a and each access line or trunk line of each customer to the local exchange of any telecommunications provider providing those lines in this State. Those companies and providers shall collect the surcharge from their customers and transfer the money collected to the Division pursuant to regulations adopted by the State Board of Health. The amount of the surcharge must be sufficient to support the uses set

forth in subsection 2, except that the amount of the surcharge must not exceed 35 cents for each access line or trunk line

Members of the public may make oral comments at this meeting. Persons wishing to submit written testimony or documentary evidence may submit the material to Veronica Portillo-Bradford, Health Program Specialist at vportillo@health.nv.gov or at the following address:
