Additionally, it is the goal of the Substance Abuse Prevention and Treatment Agency Advisory Board to also afford the public with an item-specific public comment period.

No action may be taken on a matter raised under public comment unless the item has been specifically included on the agenda as an item upon which action may be taken.

The Chair retains discretion to only provide for the Open Meeting Law's minimum public comment and not call for additional item-specific public comment when it is deemed necessary by the chair to the orderly conduct of the meeting.

Items may be taken out of order, combined for consideration, and/or removed from the agenda at the Chairperson's discretion.

The public body may combine two or more agenda items for consideration. The public body may remove an item from the agenda or delay discussion relating to an item on the agenda at any time.
