Public comment may be limited to one minute per person at the discretion of the chairperson. Unless noted as an action item, discussion of any item raised during a report or public comment is limited to that necessary for clarification or necessary to decide whether to place the item on a future agenda.

Members of the public may comment on matters not appearing on this agenda or may offer comment on specific agenda items. Comments may be discussed by the Board, but no action may be taken. The matter may be placed on a future agenda for action.
