● zidovudine	Retrovir, AZT	

Program Dispensing Policies

1. All Brands will be covered when a drug is listed on the formulary
2. Drugs marked with “●” are to be dispensed with a minimum 28 day supply.
3. Refills may be obtained after 80% of the previously dispensed days-supply has been used (Nevada ADAP allows up to 6 days prior); however, there is an annual maximum of 13 fills or 390 day supply per prescription.
4. Only one lost fill will be allowed per calendar year
5. Non-formulary drugs are not covered if not listed on the Nevada ADAP Formulary.
6. Use of generic products is required when available, unless otherwise specified by clinician.
7. On the use of specific antiretroviral combinations and dosages, adjudication rules have been set to meet treatment guidelines as recommended by the Department of Health and Human Services (HHS) Panel on Antiretroviral Guidelines for Adults and Adolescents
