Nevada Needs Us! Dentists are an important part of the Battle Born Medical Corps. Sign up today.

**BATTLE BORN MEDICAL CORPS**

DURING THE COVID-19 EMERGENCY, CERTAIN MEDICAL LICENSING REQUIREMENTS ARE WAIVED TO ALLOW NEVADA TO ADD ADDITIONAL HEALTHCARE WORKERS INTO THE SYSTEM

**Sign up at ServNV.org**

The waiver allows medical professionals who are trained in a medical field, but are not currently licensed in Nevada, to be asked to seek a waiver and sign up.

- Medical Doctors
- Physician Assistants
- Nurse Practitioners
- Advance Practice Registered Nurses
- Registered Nurses
- Licensed Practical Nurses

**WHAT ROLE CAN DENTISTS PLAY IN A HOSPITAL SETTING DURING THE COVID-19 PANDEMIC?**

1. Triage
2. Immunization
3. Clinical care and infrastructure for “walking well” care
4. COVID-19 testing
5. Treating emergencies, including providing local anesthesia and suturing
6. Airway maintenance (oral, nasal, pharyngeal and intubation)
7. Drug dispensation (such as antibiotics and non-opioid analgesics)
8. Syndrome surveillance (monitoring patient populations for irregular signs of illness)
