Education

Residency

University of Nevada, Reno School of Medicine 2000-2003
Family and Community Medicine
Honors: Humanism and Teaching in Medicine Award

Medical School

Doctor of Medicine 1996-2000
St. Georges School of Medicine, Grenada

Bachelor of Science

San Francisco State University 1989-1993
Research: Heavy Metal Removal from Drinking Water

Current Positions

Professor, Department of Family and Community Medicine 2017-present
University of Nevada Reno School of Medicine

Director, Rural Obstetrics Program. South Lyon Medical Center 2004-present
Yerington, Nevada. University of Nevada Reno School of Medicine

Academic Appointments

Director, Rural Obstetrics Program. South Lyon Medical Center 2004-present
Yerington, Nevada. University of Nevada Reno School of Medicine

Associate Residency Director, University of Nevada Reno 2007-2012
School of Medicine Department of Family Medicine

Associate Professor, University of Nevada Reno School of Medicine 2008-2017
Department of Family and Community Medicine

Assistant Professor, University of Nevada Reno School of Medicine 2003-2008
Department of Family and Community Medicine

Program Director, Obstetrics Fellowship, University of Nevada Reno 2006-2008
School of Medicine, Reno, Family Medicine Residency
-Developed Curriculum

Professional Experience

Staff Physician – Emergency Room South Lyon Medical Center Emergency Physicians	2015-present
Staff Physician – Emergency Room Banner Lassen Medical Center, Susanville, California	2004-2017
Staff Physician – Emergency Room Plumas District Hospital, Quincy, California	2002-2006
Staff Physician – Emergency Room Seneca Hospital, Lake Almanor, California	2002-2004

Professional Appointments

National

Teaching Activities

- | | |
|--------------|---|
| 2016-2018 | Instructor <u>ACLS, Advanced Cardiac Life Support</u>
Learners: residents, physicians, paramedics
Local, Renown Regional Medical Center
UNR Med |
| 2013-present | Instructor Standardized patient instruction and case development
Training of Standardized Patient actors
Development of Simulation Cases |
| 2016-present | Instructor Training of Gynecological Teaching Assistants
Standardized Patients teach female physical exam to medical students |
| 2009-present | Instructor – <u>Advanced Life Support in Obstetrics (ALSO)</u>
Learners: Family physicians, OB-GYN physicians, resident physicians & paramedics
Courses taught in Las Vegas, Reno and rural Nevada |

Resident Teaching

- 2015-present ABFM KSA module review sessions
- 2018-present Simulation curriculum development & Implementation: Monthly code simulations with SimMan, SimMom and SimBaby, including procedural workshops
*2021 introduced the GYN GTA session
- 2020-present Program: Nexplanon insertion workshop
My role: certified instructor, annual certification for new residents
- 2019 Program implementation “*CenteringParenting*”
Includes: grant-funded facilitator training for 30 residents and faculty and initiation of group well-childcare patient visits
*2020-2021 program adapted for COVID restrictions – virtual platform
- 2018 Program implementation “*CenteringPregnancy*”
Includes: grant-funded facilitator training for 15 residents and faculty and implementation of group prenatal care visits
- 2005-present **Faculty** Department of Family & Community Medicine University of Nevada, Reno, School of Medicine
Learners: 30 interns, 2nd and 3rd year residents
Includes: Inpatient and outpatient clinical teaching, didactics, simulation activities, advisement, call duties and obstetrical and procedure supervision and instruction

Physician Assistant Student Teaching

- 2019-present **Faculty** Department of Family & Community Medicine University of Nevada, Reno, School of Medicine
Learners: PA students
Includes: outpatient clinical teaching and didactics
- 2019 Curricular development: Gynecology and Obstetrics
Learners: 30 PA students
Includes: lecture-based curricular development and obstetrical simulation-based activities
*curriculum adapted for COVID 2020-2021

Medical Student Teaching

- 2016-present **Instructor** BLSO, Basic Life Support in Obstetrics
Learners: certification of 74 2nd year medical students
- 2015-2019 **Mentor** – Scholarly Concentration Medical Education
One medical students annually
- 2014-present **Course Coordinator** Advanced Clinical Skills, Med 623.624

- 2nd year course, Medical School curriculum
 -Instruction of medical history, physical exam, diagnostic hypotheses and treatment plans
 -Learners: 74 Second year medical students per year
 Includes 4th year elective ‘Teaching in Medicine’
 -Learners: 45 - 4th year medical students per year
 *2020-22 curriculum redefined for COVID requirements
- 2012-2017 **Block 1 Week 6 Instructor** - Case of the week “B12 Deficiency and Evidence-based Medical use and Efficacy of Common Medical Supplements”
 -Learners 60-73 First year medical students
- 2006-present **Course Coordinator** Difficult Patient Interviews, UNR Med Simulations cases – annual day long workshop
 Learners: 69-73 2nd year medical students per year
 *2020-22 curriculum redeveloped for COVID requirements
- 2005-present **Clerkship Faculty**
 3rd and 4th year medical students
 Teaching rounds- inpatient and outpatient care including obstetrics
 Learners 74 Second Year Medical Students per year
 24 Fourth year medical students per year
- 2005-present **Clinical Mentor** Program, School of Medicine
 Year 1- Year 4 medical students
- 2012-2013 **Course Coordinator** - Practice of Medicine 2, Med 654
 2nd year course, Medical School curriculum
 -Instruction of medical history, physical exam, diagnostic hypotheses and treatment plans
 -Learners: 68-70 2nd year medical students per year
 Includes 4th year elective ‘Teaching in Medicine’
 -Learners: 35 - 4th year medical students per year
- 2006-2013 **Course Coordinator**, Clinical Problem Solving 2, Med 604
 2nd year course, Medical School curriculum
 Instruction of Diagnostic evaluation and Clinical Reasoning in evaluation of patient illness, exam findings and results of diagnostic testing.
 Development of diagnostic hypotheses, assessment development and treatment plans
 Learners: 52-69 2nd year medical students per year
- 2009-2011 **Facilitator**, Med 603, Clinical Problem Solving 1
 Small group facilitator 1st year medical students
 Instruction of beginning approaches to clinical reasoning and hypothesis development
 Learners: 10 per year
- 2011 **Preceptor**: Medical Mission to Nicaragua, Bridges to Community
 Learners: 18 1st year medical students
 Role: Clinical teaching faculty, 1 week in rural clinic in Hormiguera
- 2008 **Lecturer**: Transition Course – Suturing, annual full-day course

Learners: 65 2nd year medical students

- 2006-2008 **Preceptor:** Student Outreach Clinic
Preceptor- free clinic, 1st & 2nd year medical students
Role: supervising physician indigent clinic
Patient volume – 30 patients per week
- 2006-2007 **Instructor:** Family Medicine Interest Group (casting & splinting, suture, musculoskeletal workshops), 1 day annual workshop
Learners – 65 2nd year medical students
- 2005-2008 **Assistant Course Coordinator** Introduction to Patient Care 1
1st year course, Medical School curriculum
Instruction of medical history, physical exam, diagnostic hypotheses and treatment plans
Learners: 65 1st year medical students per year
Includes 4th year elective ‘Teaching in Medicine’
Learners: 35 - 4th year medical students per year
- 2005-2007 **Lecturer:** Wilderness Medicine Elective faculty
Annual lectures: *Poisonous Envenomations, How to Shit in the Woods*
Learners: 16 medical students and resident physicians

Research

McCarthy, Dickens, Sutton. *Assessing Long term Retention of HPV Knowledge and Attitudes.* University of Nevada, Reno School of Medicine 2020-2021. Principle Investigator.
