**Errata**

The following errata identifies technical corrections needed to R067-16 after regulations were submitted to LCB.

- Section 2, subsection 1;  
Add “s” after “day”  
“Not less than 10 business days before organizing or arranging for the provision of voluntary health care service in this State, a sponsoring organization must register with the Division pursuant to NRS 629.460 by submitting to the Division a form prescribed by the Division.”
- Section 2, subsection 1;  
Add “The Division shall have 5 business days from receipt of registration to approve or deny the sponsoring organization registration.”  
“Not less than 10 business days before organizing or arranging for the provision of voluntary health care service in this State, a sponsoring organization must register with the Division pursuant to NRS 629.460 by submitting to the Division a form prescribed by the Division. The Division shall have 5 business days from receipt of registration to approve or deny the sponsoring organization registration. In addition to the information required by subsection 1 of NRS 629.460, the form must:”
- Section 2, subsection 3;  
Replace “receipt” with “review and approval”  
“Upon review and approval of the registration form, the Division will provide the sponsoring organization an approval letter signed by the Division Filing Officer for the voluntary health care service to be provided.”
- Add Section 4:  
“Use of voluntary health care service during a disaster does not require a letter of approval for the purposes of this regulation.”
