

August 5, 2022 - Project Update for Gambling Treatment Diversion Court

In Fiscal Year 22 Gambling Treatment Diversion Court (GTDC) began with 9 participants. There were 5 participants graduated during Fiscal Year 22, and 1 unsuccessful termination from the program. Gambling Treatment Diversion Court had 2 new participants begin the program in Fiscal Year 22. At the end of Fiscal Year 22 Gambling Treatment Diversion Court had 5 active participants. During Fiscal Year 22 the Gambling Treatment Diversion team purchased incentives to recognize participant phase progression throughout the program.

In Fiscal Year 23, we are planning on implementing financial coaching and Moral Reconation Therapy (MRT) groups for new participants. The Gambling Treatment Diversion Court team is also looking at ways to increase training for team members, increasing participant enrollment and continuing to attend Problem Gambling Treatment meetings as well as Advisory Committee on Problem Gambling meetings.
