Swimming pools and spas within health care facilities and facilities for the dependent regulated by the Division of Public and Behavioral Health (DPBH) Bureau of Health Care Quality and Compliance (HCQC) are required to obtain a permit per Nevada Revised Statutes (NRS) and Nevada Administrative Code (NAC) 444. NAC 444.100 requires that any person desiring to construct a new pool or spa, or remodel an existing pool or spa, submit an application to the Health Division that is accompanied by plans and specifications. The following is the plan review and permitting process:

1. Obtain a swimming pool and spa plan review application, see the next page.
2. Submit your application, fees, required plans, specification, and supporting documents to the appropriate Health Care Quality and Compliance (HCQC) Carson City North or Las Vegas South office:

Attention: Dominick DiFranco
Division of Public and Behavioral Health
Health Care Quality and Compliance
500 E Warm Springs Rd, Suite 200
Las Vegas, NV 89119

OR

Attention: Vincent Valiente
Division of Public and Behavioral Health
Health Care Quality and Compliance
727 Fairview Dr. Ste. E
Carson City, NV 89701

3. After plans are reviewed by an HCQC DPBH-EHS and approved, the operator must contact HCQC DPBH-EHS for all necessary on-site construction inspection scheduling (North Office at 775-684-1030; South Office at 702-486-6515)
4. HCQC DPBH - EHS will release the pool or spa after the on-site inspection(s) confirms all requirements are met and all fees paid. The permit(s) will be issued at that time.
5. You may not operate until you have completed this permitting process.
6. For questions regarding pool and spa permitting please contact HCQC-EHS at:

Email: EHSHCQC@health.nv.gov

Phone: 775-684-1030
