The purpose of R108-24 is to move forward the regulations required by Assembly Bill 153 of the 82<sup>nd</sup> Legislative Session (2023) needed to license and regulate the practice of naprapathy. R108-24 addresses the following topics:

- Infection Control.
- General application requirements.

- Initial application requirements.
- Licensure by endorsement requirements.
- Provisional Licensure requirements.
- Licensure renewal requirements.
- Validity of notices sent to licensees or applicants.
- Requirements to register as a teacher, advisor, or supervisor pursuant to subsection 2 of Section 1.29 of AB 153 of the 82nd legislative session.
- Prohibited acts by a licensee.
- List of crimes, that if convicted, may result in disciplinary action of a naprapath.
- The process for an applicant for licensure as a naprapath or a licensee to petition the Division to not impose disciplinary action despite a report of being convicted of a crime that may result in disciplinary action.
- The required actions by an applicant or licensee that must be taken if a background check cannot be completed.
- The required actions to be taken by an applicant for a license or licensee if the person feels the background check information provided by the Division is not accurate
- The actions the Division may take upon determining that an applicant has been convicted of a disqualifying crime
- Fees.
- Grounds for initiating disciplinary action
- Disciplinary action that may be imposed by the Division; Consultation with Advisory Board.
- Prescribes requirements governing the revocation of a license and the reinstatement of a revoked license.
- Licensee to pay costs of disciplinary action.
- Unlicensed practice complaints.
- Complaints against licensee or applicant.
- Terms of suspension of license.
- Appeal of decision related to disciplinary action.
- Reports received by the Division pursuant to subsection 5 of NRS 228.420.
- Continuing education requirements.
- Requirements related to advertising or the use of promotional materials by a naprapath
- Approval by Division of Program of Education in Naprapathy and related items.
- Per diem allowances and reimbursement for travel expenses for Naprapathic Practice Advisory Board members.
- Request for documents by the Division from applicants or licensees.
- Amendments to NAC 459.554 to authorize naprapaths licensed in Nevada to order medical x-rays, excluding nuclear medicine studies or other treatments that use radioactive materials.
- Amendments to NAC 652.155 to authorize naprapaths licensed in Nevada to order medical laboratory tests.

1. Anticipated effects on the business regulated by the proposed regulations:

- A. *Adverse effects.* Direct adverse effects include licensure fees, fines, insurance costs, costs to become accredited if opening a program of education in naprapathy and other related costs. Certain fees, such as the \$500 initial application fee and the renewal fee of \$500 is set in statutes and is not a direct result of the proposed regulations but is instead directly related to the passage of AB 153 of the 82nd legislative session (2023).

*B. Beneficial:* Beneficial effects may include revenue that is collected by persons who open practices of naprapathy or open schools of naprapathy once the regulations become effective. It is expected that once the regulations become effective and persons can apply for and become licensed naperapaths in Nevada, this will result in individuals opening small businesses in Nevada.

*C. Immediate:* The immediate effect would be the ability to apply for licensure and the costs related to becoming licensed. Please refer to A. Adverse effects.

*D. Long-term:* The long-term impacts would continue to be the ongoing, renewal costs for licensure.

2. Anticipated effects on the public:

*A. Adverse:* There are no adverse effects anticipated on the public.

*B. Beneficial:* Beneficial effects may include reduced medical and insurance costs for persons who can avoid surgery by being treated by a naprapath.

*C. Immediate:* As naprapaths become licensed and open up practices in Nevada, individuals will be able to utilize the services of naprapaths, potentially saving money if they are able to avoid surgery.

*D. Long-term:* The long-term impacts include the continued ability to utilize the services of naprapaths and any potential cost savings from utilizing such services.

3. The Division of Public and Behavioral Health determined the impact on small business by conducting a public workshop on May 22, 2024, and worked with the Southwest University of Naprapathic Medicine in New Mexico to distribute the proposed regulations and small business impact questionnaire to the University's alumni. The University's alumni were identified as persons who may have an interest in becoming licensed as a naprapath in Nevada or opening a small business in Nevada, which may include opening a school of naprapathy or an individual naprapathic practice.

One person testified he was in favor of the regulations and in full support of the bill that passed. No other individuals testified during the public hearing.

4. The estimated cost to the agency for enforcement of the proposed regulations is \$15,489.

This is an estimate based on an estimated workload as the true workload is unknown at this time.

The Division is estimated to collect \$15,250 in fees annually but the true total annual amount the Division expects to collect is unknown.

The money would be used to cover the Division's operating costs related to the work associated with governing the licensure of naprapaths and the practice of naprapathy in accordance with AB 153 of the 82nd legislative session (2023) and the proposed regulations.

5. The proposed regulations do not overlap or duplicate any other Nevada state or federal regulations.

Members of the public may make oral comments at this meeting. Persons wishing to submit written testimony or documentary evidence in excess of two typed, 8-1/2" x 11" pages must

submit the material to the Board's Secretary, Cody Phinney, to be received no later than November 21, 2024 , at the following address:

Secretary, State Board of Health  
Division of Public and Behavioral Health  
4150 Technology Way, Suite 300  
Carson City, NV 89706
