

MAMMOGRAPHY REGISTRATION FEES

Fees are due annually before the expiration date.

If machine registration fee is paid after expiration date, there is an additional \$56.00 fee for late payment per registration per year. (Sections that revise NAC 457, requirements for mammography, have been adopted but not yet codified. Link to the revision can be found in Regulatory package [R043-20](#))

	FEE CATEGORY	REGISTRATION FEE	CANCER REPORTING FEE
(a)	For a certificate for a machine, fee due annually	\$551.00	\$33.06
(b)	Late Fee (per year, per machine registration)	\$56.00	
(c)	For a mammographer's certificate, fee due every three years	\$200.00	
(d)	Certificate to provide training to mammographers pursuant to NAC 457.357	\$100.00	
<p>Effective March 1, 2024, the Radiation Control Program is required to collect additional fees to support the reporting of information on cancer. The fee amount is 6 percent of the fee for issuing or renewing a registration certificate for an MQSA machine. Additional information regarding this fee and the Nevada Central Cancer Registry (NCCR) is available at:</p> <p>https://dpbh.nv.gov/Programs/NCCR/Nevada_Central_Cancer_Registry_(NCCR)_-Home/</p>
