INFORMATION FOR INFORMED CONSENT

The confidentiality of medical, psychiatric and substance abuse information is protected by State and Federal Statutes, Rules and Regulations including Nevada Revised Statutes and Title 42 of the Code of Federal Regulations. These Statutes, Rules and Regulations require that the individual give informed consent prior to the release of any health/hospital records or information, except as specifically provided for within the Statutes, Rules and Regulations. A general authorization for the disclosure of medical or other information is NOT sufficient for this purpose. The Federal rules restrict any use of the information to criminally investigate or prosecute any alcohol or drug abuse patient.

Consent to release information will be considered valid only when it states: (1) who will release the information; (2) who will receive the information; (3) the purpose for which the information will be used; (4) what specific information will be released; and (5) when the consent will expire. The consent must contain the individual's or authorized representative's signature and the date of the signature. The authorized representative signing for the client must submit a copy of the legal document(s) granting this authority.

This authorization for the Release of Medical Information waives any and all rights that the individual now has or in the future may have to bring any legal action against the releasing person/facility for any damages caused directly or indirectly by the release of this information or other confidential information. Upon request, the individual will be given a copy of the completed "Authorization for the Release of Protected Health Information."

This authorization is effective immediately and is subject to revocation in writing at any time, except to the extent that action has already been taken in reliance thereon. Otherwise, this authorization expires_____ days from the date of signing (but no longer than 365 days) or upon case closure, whichever occurs first.

A PHOTOCOPY, FACSIMILE OR ELECTRONIC SUBMISSION OF THIS FORM IS AS VALID AS THE ORIGINAL
